2022 Fall Campaign

Postcard – Back

## Get involved this FALL

Set you crops up for lower INPUT costs next year by participating in one (or both) of these options:

Option 1

Option 2

What could this mean for you next year in  
**Feed Cost Savings ?**

### Intrigued? Want to Learn More.

☐ Join in our monthly Webinars\* this Winter... and hear first hand from growers that have turned to Forages to reduce their grain costs.

*\* Schedule to be published*

First time customers that participate\* this Fall in one of the options to the left receive preferred pricing on the same program for 3 years.

*\* Minimum of 100 acres*
